Subject: CIA requests for information
Barry, finally, was able to speak with me yesterday regarding the two requests for information with which I was involved. First, with respect to Request #1, I communicated to Barry that many requests were not completed. I gave him a list of all the materials that were not included in the production. He said that he will work on it. Second, I spoke to him about Request #11, the Sylvia Duran materials; he gave me a document that his staff found that Barry believes is the Duran "ten page statement." I need to show you this document and discuss it with you. I am not quite sure the document is what I was expecting.
