You'll need to be at the Visitors' Center (off route 123) by no later than 9:45 for a 10:00 tour. They'll direct you to the lobby in the original headquarters building, where we're all meeting. Parking is in front. By the way-- where did Jack get his figures for the Oswald 201 file? It was news to me that there are fewer than ten documents yet to be reviewed. According to what I told you in the last weekly update, the figure is closer to 55 (taking potential consent releases into account). But there's no hard and fast number yet, and certainly not one that low.
