Categories: Summary of the Call: Dallas Project: I spoke with Cook today at his office. He received the copy of the videotaped footage sent to him by our office & is very grateful. He agreed to perform an in-depth recording of his recollections to be made while viewing the videotape. He told me that if I send him 1 or 2 audio cassette tapes, he'd use his tape recorder to complete this request & will mail the tape(s) back to the Review Board. I verified the address that he prefers the tape(s) to be sent & thanked him for his time.* I'll send him the package today
