Subject: your pager
does not have voice mail. If you would like to add voice mail it is an additional monthly charge. I can find out how much if it something that you are particularly interested in. They mentioned that you had a greeting recorded and you should change it to see leave me a numeric message with the appropriate directions. (If this last part is wrong we can discuss it and maybe it will make more sense to me what she was saying and I can clarify but I haven't heard the voice mail so I don't know.)
