Subject: Initial conversation with William Watkins of the 316th M/I group

CALL REPORT Issue # 70Document's Author: Dave Montague/ARRB Date Created: 07/31/96Who initiated the call? Review Board's representative in the call: Dave MontagueSubject: Initial conversation with William Watkins of the 316th M/I groupDescription of the Call 316th M/I Project I located & spoke with Watkins today, identified myself & explained the purpose of the Review Board. Watkins confirmed that he's the same Watkins who was part of the US Army's 112th Military Intelligence Group during the 1960's. Watkins was cordial & humorous; he said he was based out of San Antonio in 1963, but just happened to be assigned to the 112th on 11/22/63. Watkins said he stayed in the Dallas area after the assassination, in case the 112th was needed for anything. Watkins doesn't know of any records he may have, but will answer any questions asked of him. I told him I'd send some explanatory material so he'll know more about the Review Board & he can be interviewed in-depth, to which he said he'd be appreciative. I verified his information & thanked him for his time. * I'll send a packet, coordinate w/Tim & forward a copies to our Military TeamWatkins' information:William R.
