Subject: FBI May Meeting Records
Do we know what the story is with these?To: David Marwell/ARRBcc: From: Tom Samoluk/ARRB Date: 07/31/96 07:48:29 PMSubject: FBI May Meeting RecordsThis is to advise you that the FBI still does not have their May meeting records ready for us. This is of concern because it has been the longest amount of time to date and sets a new record with each passing day, the June records have now "ripened," we are going into another Board meeting and another month. I wanted you to know.
