Subject: Letter to Nobelsville schools

Body: Before he left last week, Mr. Hitchcock asked if I would arrange for a letter to be sent to the Superintendent of the Noblesville schools regarding the interns' work here. Apparently, these students received a half credit on their transcript for their work, and this credit was debated for quite a while before it was apporved. Mr. Hitchcock thought that the school board might like to hear that their decision was a good one, as well as hearing something nice about their students. I told him I thought this would not be a problem. I am currently drafting a letter; would you prefer that it be signed by you, or by me? Please let me know. Thank you.
