Records Review Board today made available an additional 296 FBI, CIA, and House Select Committee on  
Assassinations (HSCA) documents related to the assassination of President John F. Kennedy. The Review Board  
voted to release these documents on May 13 and 14, 1996.CIA RecordsThe Review Board released 132 CIA

advisory, the Board has postponed the name of a former CIA employee who was involved in the assassination  
investigation. This person used the pseudonym Scelso when testifying before the HSCA. The Review Board

assassination investigation of Oswald. The FBI has appealed to the President the Boards decisions to release  
information contained in 33 other documents from the May meeting. The information contained in the  
redacted portions of these documents has to do with intelligence sources and methods. Six documents from
