Jane Vezeris left a voice mail saying that Donald Personette will be at the convention during the week of August 26 but that he would try to juggle his schedule to be here for the meeting. She said she would be able to confirm a time on Tuesday or Wednesday (August 27 or 28) when she calls on Monday, August 26. She is going away for 2 weeks, and she will call me after she returns. Doug and I will be talking with Floyd Boring on Tuesday morning (August 27), and I do not know how long it will take. Jerrie tells me that the drive to Leisure World will take at least an hour. If you talk to Jane, and she wants to meet on August 27, could you make it late in the day, say 4 PM or so?
