Subject:	Three FBI documents from the May meeting
Body:	To: David Marwell/ARRB, Jeremy Gunn/ARRBcc: From: Tom Samoluk/ARRB Date: 08/09/96 11:25:25 AMSubject: Three FBI documents from the May meetingThe FBI's action, as described below in Kevin's e-mail, is in blatant and total disregard of the calendar set up under the JFK Act. I believe that there needs to be a written record of our dissatisfaction with the situation through a letter to the FBI Director and the President (and perhaps appropriate Congressional oversight committee chairs). For the record, notification of the Board's votes on the May documents was made to the FBI on May 29. The FBI's 30 day window expired on June 29, at which time the records should have been available. We sent the other May documents to the Archives on August 8th. On August 9th, Kevin was notified about the appeal. The Bureau has shown no respect for the law and should be called on it and we should be on record about it. To: Phil Golrick/ARRB, Jeremy Gunn/ARRB, Tom Samoluk/ARRB, David Marwell/ARRBcc: From: Kevin Tiernan/ARRB Date: 08/09/96 11:12:20 AMSubject: Three FBI documents from the May meetingThere are three documents (and one duplicate) from the May meeting that did not go with the others to the National Archives. Either by mistake or by intent, the Bureau had not processed these three, and when Carl was asked to declassify them so they could be sent with the rest, he felt it was important enough to go speak with Division 5 about them again. Carol called this morning and said that the Bureau was probably going to appeal the documents. They are 124-10073-10270 (and dupe 124-10275-10237), 124-10073-10271, 124-10073-10284.
