Subject: Duane Cooper
Dave, We had a response last week on the military story from a guy named Steve Billick. Billick says that his friend, Duane (or Dwayne) Cooper was a pilot in the presidential helicopter fleet during the sixties and was involved in the events of 11/22/63, from the standpoint of being a pilot. Billick gave me Cooper's home phone number in Missouri. I had originally planned on calling Cooper today, but the more I think about it, I would prefer another approach. If Billick has not spoken to Cooper since our conversation, I would be catching Cooper cold and off-guard. I would rather that he know both who we are and what I would like to discuss with him before I call. This would best be accomplished by a letter. If I give you Cooper's name, phone and home state, could you find his address for me? Thank you. Duane (or Dwayne) Cooper Ph: (816) 279-5058 somewhere in Missouri
