Subject: Call from Mike Dorman, Newsday on Scelso
Please see the call sheet below on Dorman's interest in Scelso. Please advise me if you have any thoughts on how we can best explain the Board's decision on Scelso because we know he will return to the subject when the HSCA testimony is released.CALL REPORTDocument's Author: Tom Samoluk/ARRB Date Created: 08/14/96
The Players Description of the Call Date: 08/14/96Subject: Scelso DocumentsSummary of the Call:3:00 p.m. - Dorman called to say that he would like to do an article on the Scelso matter and the Board's decision on relevant documents. He thought it "a bit odd that he (Scelso) still needs anonymity." Dorman also noted that he had talked with Blakey and that he did not remember the name (Scelso), but remembered that there were CIA people who did testify in executive session. I advised Dorman that the Board had voted to release Scelso's HSCA testimony and that would be available in approximately seven weeks. He asked to be notified when it became available.
