Subject: Need to review NSA document in safe

Body: At your convenience, I need to double-check NSA record 144-10001-10026, located in the safe in our SCIF, in preparation for a letter I'm drafting -- at Jeremy's and Tim's instruction -- to NSA. No hurry. With Tracy out, I gather you're the only one who can open it. If you can't get to it today, I'll just ask Tracy tomorrow. Thanks.
