Subject: Cooper letter

Body: HI Chris Sorry that I only today had the chance to finalize your letter. I have some very minor suggestions on the last paragraph, however, the choice to make them or not is entirely up to you. I have gone ahead and printed your version on letterhead just in case you decide that's the route you want to go. I do need a file number in any case put on the doc summary. If you don't have a files list, email me and let me know and I will photocopy one for you. The changes I suggest are on your desk in hardcopy. I thought it would be easier to look at that way. Thanks again for your patience, Chris. We'll get this out today, I promise!
