**Subject:** FBI Very Late Appeal on Three Documents from May Meeting

**Body:** Discussions this morning with Phil and Kevin regarding the FBI's late appeal of three documents from the May meeting prompted me to wonder whether or not we are on the record in writing to the FBI and the White House with our objections to this grossly late appeal. If not, I suggest that it is important that we send such a letter. For our purposes with the research community, I think it is important to demonstrate our protestations of this appeal. If there is such a letter already in existence, I would appreciate a copy.Thanks.
