Subject: Jim Hosty interview

Jim Hosty is coming from Florida for an interview on Nov. 18-19. He will need tickets, etc. . . Do you remember when I talked to you about this before? He wants to bring his wife along and they thought they might try to fly Southwest and get a companion fare, etc . . . I told him that I wasn't sure what the regulations require, but that I thought that, as long as it doesn't cost the Govt. any extra money, they could probably do it. He will also need hotel reservations and, I guess, per diem. Finally, I think they want to fly to Philadelphia from here (to see their son). I told him that, again, as long as it didn't cost the Govt. any extra money, it was probably fine. I told him that he would need to talk to you before making any arrangements. Will you call him back this afternoon and talk to him about the details? His number is (816) 942-9039. Merci!
