At some point, Kay Sloan from CBD Docusource in New Orleans will be calling you to ask about forms to fill out, etc... for the big copying jobs they are doing for us. Just so you know -- they have already done 4 boxes of Connick material and they will be doing 8 boxes of Warren DeBrueys' documents next week. In about two weeks, they will be finishing 2 more boxes of Metropolitan Crime Comm'n (MCC) documents and then a couple of weeks after that, I will have them do at least 5-8 more boxes of MCC documents on organized crime figures. I suspect that she will be calling more than once about all of this. Info for your files: Kay Sloan CBD
