Subject: Chip Selby's documentary
I talked to Chip Selby today, per Jeremy's suggestion, re: 9/18/64 WC meeting and his research thereon. Substantive inputs will be incorporated (also per Jeremy's suggestion) into an updated memo on our response to Lesar's letter of 5/7/96 (you'll all get copies). (Selby's going to send along a few documents he copied at the Russell Library, so I'll hold off on updating the memo until after they arrive.)My purpose here is to tell you that Selby (who seems to think very highly of the Board and its work, and who also seemed pleased to be called) wants to know if anyone from the Board would agree to be interviewed for his documentary. I told him that the question was way above my pay grade, but that I was sure Tom would be happy to talk to him about it sometime after Sept. 9. Selby's phone number is 410-792-2899. Given his helpfulness, I would also suggest we cc Selby on any response we send to Lesar.
