Subject: Weekly update
This past week, CIA team has been finishing off the June meeting documents for transfer to NARA and reviewing new records for the upcoming September meetings. Our big task has been to train Irene and Michelle, who have proven quick learners. Still, it's a complicated process, and a lot of talking-through has been necessary. This new team is bonding well and promises to be the best one yet. In addition to other activities, Manuel spent time at NARA this week preparing RIFs for Cuba records.
