**Body:** Jerrie, I wanted to thank you for the information you gave me about how late Noelle had stayed at night on certain occasions. Valerie had told me that Noelle left at 3:45 every day and that people wondered what the heck she was doing. I guess I am only now learning that there are two sides to every story. And to be honest, the very brief time I spent with Noelle, I liked her. She may have been direct and to the point, but hey we're here to get a job done, not be social. Thanks Jerrie, Take care and have a good weekend. Cathy
