Subject: Tammi Long Document
As we discussed, I am searching for a document created by Tammi Long. The document is a memorandum discussing Wallace Milam's criticisms of the work of Dr. Vincent P. Guinn. I have been unable to find a paper copy of this document, but Tammi claims it should be on her hard drive, probably in the Guinn file or possibly a Milam file. I would appreciate it if you would try to locate this document.
