Subject: Goodpasture, Rocca and Angleton testimonies, HSCA/Church
Irene and Michelle - come see me at your convenience and I'll direct you the HSCA testimonies of Goodpasture (Irene), Rocca (Michelle) and Angleton (Michelle), as requested. I didn't copy them for you -- as the status of each is still "referred" within the Security Classified Testimony records series, you may find it easier not to make a copy you'll have to keep in the SCIF anyway. But that's your call. Michelle [David and Jeremy take note]: re, Church Committee materials on Angleton and Rocca. NARA's current Church Committee holdings (located at NARA II) contain a summary of Angleton's testimony of 6/19/75, but not the actual transcript. Various records indicate that Angleton also testified before the Church Committee on 9/12, 9/17 and 9/24 of 1975, as well as on 1/22 and 2/6 of 1976. None of these transcripts are in NARA's current Church Committee holdings. There is also a summary of an interview with Raymond Rocca, dated 3/15/76, which appears to be in NARA's holdings in two different locations (the Rocca interview summary appears to be redacted, and we do not have access to an unredacted version at this point, either). I can give you RIFs (annotated with NARA Box Numbers which you will need when you ask Steve Tilley/Martha Murphy to pull them for you) for the items that are actually available at this point.
