Subject: CID Records

Brian and I will be going to Ft. Belvoir Friday morning to look through Army Criminal Investigation Division (CID) records. The biggest fish in that pond (we think) is a CID file on George Nonte, the Army captain tied to the gunrunning ring between Ft. Hood and Dallas -- and concerning which Edward Coyle met with Hosty (FBI) and Ellsworth (ATF) the morning of the assassination. Nonte's CID file is mentioned in some HSCA correspondence as having been made available to the HSCA, but no copy of it (or any extracts) appear to be in the HSCA records.
