Subject: conversation w/Wallace Milam
I called Mr. Milam, re: letting Chip Selby know about the photos in the McCombs Collection. He suggested I put Selby in touch with him directly, which I will do. Milam is happy to let Selby in on the McCombs stuff, but I think he would like to keep some control over the process, which I presume is fine with us. I will call Selby and give him Mr. Milam's phone number.FYI: Mr. Milam used the occasion to intimate that he was mildly put out about our failure to secure the R.W. material on the recent trip to Dallas, but no lasting damage seems to have been done. I went over the logistical problems we faced, and he seemed mollified. He remains optimistic that the material will end up in the JFK Collection at some point.
