**Subject:** Marina Oswald Porter

I finally reached Mrs. Porter today. I told her that we were investigating the issues raised in her letter to us and that we would very much appreciate it if she would sign and return the consent form we sent to her. She said that the consent form had nothing to do with the assassination and that she didn't see why she should sign it. She said that she would wait until after she saw the FBI records that should be released. I said that to the extent Lee Oswald was an FBI informant (as she alleges), it should be reflected in his IRS forms. She said that she would sleep on it.
