**Subject:** Possible newspaper request?  
Eric, Would it be possible for you to find and copy an old newspaper for me? I would like to find a copy of the Christchurch (New Zealand) Star from November 23, 1963. This particular issue of this paper is crucial to the allegations of Fletcher Prouty, and I would like to peruse it if I could before we interview him on September 24. I understand that this might be a tall order, but this is a pretty important issue, and I would place it on a higher priority level than most of my other reuests to you have been. If it is at all possible, could you please get me that paper? Thank you very much.
