Subject: Trip to Archives I (downtown)

In your absence at jury duty (yeah, right!) I've completely forgotten whatever you told me about your schedule constraints. Nonetheless, I have arranged for us to go down and look at the Senate Internal Security/Eastland Subcommittee finding aid at 11:00 AM on Thursday the 12th. Matt and Kris, who had expressed a desire to buy me an extremely cheap lunch (Roy Rogers, probably) before my departure, would then like us to have a quick lunch with them, before (perhaps) returning to Archives I to look at some of the actual assassination records they've found among the Eastland, HUAC and other Congressional records. Let me know if this is OK, or not. Sorry you weren't here to consult with. I do think it a good idea for you to get to know Matt and Kris a little, insofar as you'll be doing HSCA and other Congressional records.
