| **Body:** | CALL REPORT: PUBLICDocument's Author: Brian Rosen/ARRB Date Created: 09/18/96 The Players Who initiated the call? Review Board's representative in the call: Brian RosenWitnesses/Consultants's representative in the call: Colonel Paul C. Miller, U.S. Army (Ret.)Description of the Call Date: 09/18/96Subject: Seeking records related to JFK's funeralSummary of the Call:Colonel Miller was cooperative and willing to help. He said that at the time of the assassination he was the Director of Ceremonies and Special Events in the Office of the Chief of Staff for the Military District of Washington. In that capacity, he was responsible for all Army and Joint Service ceremonies (arrival ceremonies and state level funerals). On the day of the assassination, he was told to report to the White House and initially met with James Rowley and Gerald Behn of the Secret Service. After they learned the President was dead, he met with Sargeant Shriver and began work on the funeral.I asked Colonel Miller specifically about the funeral planning book shown to ARRB staff by Joe Hagen. He was uncertain exactly which document I was referring to but said that he would organize all the JFK related records he had and call me when he was ready for a meeting. He indicated that he would be happy to donate to the JFK Collection at least copies of all of his records that fell within the spectrum of the JFK Act. I sent him a letter and information packet following up on our conversation, and I will call him again if he does not respond within the next few weeks. Don't forget to compose individual Action Item documents for any action items that resulted from the call! |
