Subject:	Pustay
	I talked with Melanie Pustay about the documents, I told her I would fax a list of document RIFS that seemed to have some postponed information and then she will check those and send us a memo informing us that the RC10 field on all the rest of the documents should have been set to true and the documents are open in full.
Body:	She did not seem to mind and I think understands what we are trying to do.
