Who initiated the call? Description of the Call Date: 08/09/95Subject: Eileen Dinneen received Congressman Stokes letterSummary of the Call:Dinneen called me the afternoon of Wednesday August 9, 1995 to advise that she had received a letter from Congressman Stokes that released her from her confidentiality agreement with the HSCA and would therefore send us her notes, etc. made while she was an HSCA paralegal. She estimated she had about "one pound" of material, some of it in the form of original notes and some of it in the form of photocopies of notes, reports and memos she had submitted the originals of to the HSCA.I gave her the Review Board's Federal Express account number and asked her to send us the materials as soon as possible. She indicated she would send the records very soon.
