Subject: JFK Library; CIA-1

Body: We would like to send a letter to the JFK Library that contains something like a "punch list" of items that need to be done. Could you prepare a first draft of the letter (relying, presumably, on your memos of June 24 and chart of June 27). If you are uncertain about the status of an issue, please include it and put it in brackets with a question mark. I would like the draft letter to be as all-encompassing as possible. Please try to get the draft to me by this coming Thursday.Regarding your response on CIA-1, are you planning to take any further steps?
