Subject: New File Number

IN response to Jeremy's request for a new file number for "wrap up" documents, what number shall I begin with? Thank you for all that you and David are doing to bring another person on board. It is nice to know that there will be a third party to help out with all of this photo copying. I'm glad that you are happy with my work, that David is happy and I think that Jeremy is, too. I am always extremely self conscious of how I am doing, so its good to know that you are pleased.
