**Subject:** CIA documents, #2  
Sorry--I don't plan to make a habit of this, but some unusual circumstances have arisen, making it necessary to remove more documents from the "yellow list." These are documents that contain issues that we all have decided to hold off on until the October meeting (or possibly after): 59-13 59-279 (this one will probably be held for a while longer) 54-420 62-73In addition, I'd like to remove the following from "yellow" and make it "green": 59-411 I'd also like to remove the following HSCA documents from "yellow" and make them "green": 4-262 80-387
