I emailed this message (see second paragraph) to Kevin regarding the possible interview of Cliff Fenton. We should talk about our approach to this project once we have a meeting set up. To: Kevin Tiernan/ARRBcc: From: Manuel Legaspi/ARRB Date: 09/27/96 03:26:46 PMSubject: Jack Anderson/Cliff FentonI know that this stuff has been kept on the back burner for a while, but... I am starting to get more assignments from Jeremy lately and would like to close out this whole Jack Anderson thing. Can we meet next week on this topic?Additionally, Jeremy has given me the primary responsiblity regarding the possible interview of Cliff Fenton, the former Chief Investigator for the House Select Committee on Assassinations. I am assuming that Jeremy chose me so as to focus on the Cuban angle (as detailed in the Gaeton Fonzi book); but Fenton is obviously involved with the William Sullivan papers and organized crime investigations. Please let me know when you can meet with me so we can discuss how to organize this mess. Thanks.
