Subject:	Comment/Additional Status field in HSCA-Cross Reference database
Body:	Chet, as we discussed and as you suggested, I am E-mailing you to remind both of us that we probably want an additional field/column in the HSCA-Cross Reference database that would allow Brian to, as it were, write notes to himself (eg, "re-referred to Customs, 9/28", "called DOS, 9/27", etc) about records he is trying to clear, or needs to doublecheck out in the boxes at NARA II.
