Subject: Fake U-2 Manuals
I have asked Dave to track down the current addresses and phone numbers for Kelly Johnson' s wife Nancy and his former assistant Dick Boehme. Kelly supposedly kept a private journal where he frequently recorded his conversations with Dick Bissell. His wife may have the journal or may know where it is. Boeham kept a log of the U-2 project and also jotted down notes about meetings with Bissell. Maybe we can find a lead to the fake manuals.
