**Subject:** CD's for Garby Leon  
Joe and I visited NARA II yesterday and located the three CD's referenced in Leon's letter that you inquired about. Contrary to Martha Murphy's response to him, one of the documents was open in full and two were open with only one redaction each. However, as Joe noted in yesterday's e-mail, none of the documents were physically interfiled or updated in the electronic database. I will drop off copies of the CD's in public form in your office. Please let me know your thoughts on Joe's e-mail regarding the Warren Commission documents at NARA that still need to be processed by the Board.
