Subject: New Supervisor Choice for Review Track
The CIA team needs a new choice added to the list of supervisors on Review Track. When we are finished reviewing a document and hit the button labled "End Staff Review and Send to Supervisor" we get a choice of 4 supervisors--none of whom is appropriate. Could we have a new selection? Maybe "Ready for CIA Team Review"? That choice will let us identify the documents that have been seen by one analyst and are ready for a "supervisory" look and further processing. Thanks.
