**Subject:** Thank You

**Body:** I'm sure I am the last one to thank you for your parting gift of "Joe's best" poetry and quotes. I actually think that your comments introducing the collection are better than the famous words that follow. When exactly IS that Joe Freeman book of poetry coming out, anyway?, because it is your interpretation of those better known quotes that have really kept us going here. So -- insert all of those "so long, farewell" phrases here, like: keep me updated on your road races in Phoenix, have a safe trip (don't forget to wear natural fibers) -- enjoy the golf -- e-mail us often -- we'll see you on the 22nd -- etc... etc... and, of course, thank you for everything.
