Subject: federal register notice letters
We will need letters to the director of the FBI (copy to Kevin O'Brien), the director of the CIA (copy to John Pereira), the President (copy to Trey Schroeder), director of the Secret Service (copy to Jane Vezseris), the Archivist of the United States (copy to Steve Tilley), all the people on the Hill, Ted Stevens of the Senate, John Glenn of the Senate, William Clinger of the House, Cardiss Collins of the House, William Thomas of the House (copy to Roman Buhler), Charlie Rose (copy to Charles Howell). This is the notification letter which accompanies Federal Register Notice. There is some urgency to this matter because normally these letters go over David's signature, but they need to go over Jeremy's signature in his absence. And he is leaving to go to CIA for the day at approximately 10:30 or 11:00 am. If you could start to have these ready on plain paper, and I will give them a final proof read. You should leave the John Deutch, CIA letter for last, because we need to rework it a little bit.
