**Subject:** FBI consent release records  
I explained the situation to Carol Keeley, and she agrees to our making available to COPA researchers copies of consent releases that: (1) on their face, are wholly unclassified or declassified; AND (2) are from "evidence request letter" 15 or earlier.I have selected a group of records meeting these criteria -- most, but not all, of these have been sent to College Park already for release in full.
