Subject: Homer Wilson

Body: My notes from the most recent Board meeting indicate that the man Kermit recalls claiming to have knowledge about the assassination was named Homer L. Wilson. In looking through old files I inherited on my arrival here, I found some work had previously been done in trying to locate him, with possible hits being: Homer Wilson703 Black Hill AveAlliance, NE 69301-2823(308) 762-5560DOB: 1920Homer Wilson904 West Van Trees StWashington, IN 47501-2424(812) 254-3704DOB: 1918I've promised Kermit that we would try to locate his guy. Do you have any record of anyone from ARRB contacting either of these two individuals? Are these addresses/phone #s still good? Any other Homer Wilsons out there that might fit? The guy we're looking for was an Army Major who worked with Kermit in the Army Security Agency (ASA). . .
