Subject: Dave Hanzlik's call

Body: "Looks like a go at COB Minsk today.Our embassy has a preliminary meeting with Belarusian officials on Monday. At this point, it looks like you will get your meeting. This is not 100 per cent sure. You may not get any documents, or get to copy any, maybe just look.Dave H. does not expect a cable because of the timing of this meeting. However, they have made some suggestions, have some possible questions for you to ask, etc. I told Dave H. you would call him to go over this in case you have questions of him re what he has to say.
