Subject: Federal Records Disposition Notice in the Federal Register

Body: The Federal Register for Wednesday, October 23 1996 has an entry from NARA on pates 55017-55018 noting the disposition of certain records and inviting comments. The record schedules that might be of interest are two from the State Department - one deals with the publication Key Officers of Foregin Service Posts and the otehr State entry concerns International Merchant Purchase Authorization Card (IMPAC) files for all bureaus and offices except the Office of Finance. The other item of interest is a NARA entry that addresses changes to the NARA comprehensive records disposition schedule. We have until December 9 to request copies of the records scheules. Once the appraisal of the records is completed, NARA will send a copy of the schedule and the requester will be given 30 days to submit comments.
