**Subject:** SSCI MOU and WC Records  
I am waiting for Steve Tilley's comments on the draft SSCI MOU. I will call him today and get his thoughts. I will also try to nail him down on a date for Eric to go out to NARA II and start identifying WC records that have not yet been reviewed (hopefully with the help of someone from Steve's staff). It will not be a difficult process once we get it started.
