**Subject:** Ragano Notes  
CALL REPORT: PUBLICDocument's Author: Ron Haron/ARRB Date Created: 10/29/96 The Players Description of the Call Date: 10/29/96Subject: Ragano Notes Summary of the Call:I spoke with Mr. Raab today to obtain further information about the 300 pages of Ragano notes that are referred to in the prologue of "Mob Lawyer" and that may contain corroborating evidence of Mr. Ragano's assertions about the Kennedy assassination in the book.Mr. Raab indicated that the notes were made at about the time of event (i.e., the same year Ragano had the conversation with Trafficante on the Kennedy assassination) and were not an after-the-fact compilation. Although it appears that Mr. Raab has a copy of the notes, he said they are "not my property" and that we need to contact Mr. Ragano directly. Mr. Raab said he does not know what Ragano did with the originals of his notes. Mr. Raab was courteous but frank in telling me that he considered his underlying work, including whatever documents he might have in his possession, to be confidential and did not want to set a precedent in disclosing his materials. When asked if he had other corroborating materials for the kennedy assertions, Mr. Raab said did not recall. Raab indicated that Mr. Ragano, who is now 83, may be in fragile health.We should contact Ragano to obtain these notes and any other materials. I recommend that the notes be subpoenaed if necessary.
