**Subject:** HSCA Consent Release Problem

**Body:** I received a fax from Barry today which informed me that CIA sent a document to us in unredacted form but they intended to take some postponements in it. This document was with the Consent Release stuff that is in my office. (And it was easy to find because you sorted the documents into numerical order.) When you issue the correction for the Consent Releases please include the following record: 180-10078-10374. Thanks.
