 ASSASSINATION RECORDS ADVISORYOCTOBER 29, 1996 CONTACT: EILEEN SULLIVAN(202) / 24-0088, EXT.  
 253ASSASSINATION RECORDS REVIEW BOARD RELEASESCIA, FBI, AND HSCA RECORDSThe Assassination  
 Records Review Board released today 801 CIA, FBI, and House Select Committee on Assassinations (HSCA)  
 documents (including duplicates) related to the assassination of President John F. Kennedy. The Review Board  
 voted to release these documents on July 9 and 10, 1996.CIA RecordsThe Review Board released 257 CIA  
 records, 10 in full and 247 in part. This was the first meeting in which the Board reviewed a significant number  
 of documents from the CIA's JFK Collection, the group of records relating to the HSCA investigation  
 of the assassination of President Kennedy. The issues in these documents cover a wide variety of topics  
 including the investigation of Jack Ruby, the Garrison investigation, and JMWAVE, the CIA station in Miami that  
 concentrated on anti-Castro issues. The Board determined that some information relating to intelligence  
 sources and methods should not be publicly released at this time. In addition, 131 CIA documents are available  
 in full by consent release.FBI RecordsThe Board also released 114 FBI records, 53 in full and 61 in part. These  
 records include documents that relate to the investigations of Lee Harvey Oswald and Jack Ruby. Other  
 documents in this group relate to the international reaction to the assassination of President Kennedy,  
 including that of the Communist Party. The Board determined that some information relating to informant  
 names and symbol numbers should not be publicly released at this time. An additional 153 FBI documents are  
 available in full by consent release.The Board voted at its July 1996 meeting to release an additional 36 records  
 (including duplicates), which the FBI has subsequently appealed to the President. The FBI has argued that  
 portions of these records should be protected for foreign counterintelligence reasons.An additional 21 FBI  
 documents that the Board voted to release at its March 1996 meeting have been transferred to the National  
 Archives. The Board's decision to release these documents was originally appealed by the FBI, and the  
 appeal was subsequently withdrawn.HSCA/Warren Commission DocumentsThe Board released 7 HSCA  
 documents, 5 in full and 2 in part. Included in this group of documents is Marina Oswald's Social Security  
 Administration file, which is open for the first time, with the exception of social security numbers. Two  
 duplicates of previously opened Warren Commission documents that were in the HSCA files were also cleared  
 for release by the Board. In addition, 118 HSCA documents are available in full by consent release.Documents  
 at the National Archives and Records AdministrationThe CIA, FBI, and HSCA documents being released have  
 been transferred to the National Archives and Records Administration for inclusion in the President John F.  
 Kennedy Assassination Records Collection, which is housed at the National Archives facility in College Park,  
 Record
