Subject: Do you have any

objection to my creating a national Labor Relations Board Correspondence number? I would put it under 35 ie 4.35.3 Correspondence w/ Natl Labor Relations Board, since wecurrently leave off with 34, Church Committee. Reason: Dave Montague has initiated correspondence to Julius Draznin of the NLRB and tells me there will be more in the future. Let me know if you prefer some other way to handle this. Thanks, Cathyr
