Subject: DRAFT Internet Instructions

DRAFT INTERNET INSTRUCTIONS:ARRB is now connected to the Internet. We can send and recieve E-Mail messages from people all over the world.Your Internet E-Mail Address is as follows:Firstname_LastName@jfk-arrb.govExample: Chet_Rhodes@jfk-arrb.govTo send Internet mail you need to add some information to the address that other people give you.For example My E-Mail address at the University of Maryland is CR9@UMAIL.UMD.EDUTo send mail to me from the ARRB system I need too type the following:CR9@UMAIL.UMD.EDU@INTERNET@WORLDCOMSo you need to add @INTERNET@WORLDCOM to E-Mail addresses for the internet.You do NOT need to type the addresses in ALLCAPS I just use that for
